

HIGHLINE MEDICAL SERVICES ORGANIZATION

2019 Prior Authorization Guide

Office visits/Evaluations with Health Plan contracted specialists require a PCP referral but do not require a HMSO prior authorization/notification EXCEPT for the following specialties:

Allergy, Cardiology, Dermatology, Nephrology, Neurology, Ophthalmology, Orthopedics, Otolaryngology, Physiatry, Plastic & Reconstructive Surgery, Podiatry and Urology.

Prior authorization/notification is not required for services not listed below when provided by The Center for Diagnostic Imaging (CDI) when referred by a HMSO PCP or Specialist.

All additional services (Surgery, Radiology, etc.) outside of the HMSO network REQUIRE PRIOR AUTHORIZATION/notification UNLESS OTHERWISE NOTED.

The medical care and procedures below require prior authorization in all settings unless stated below. If you have a question contact 206-878-1827(phone) or 206 878 1539 (fax)*

Note: Please DO NOT mark an authorization request as urgent or expedited unless they meet the following definition:

URGENT or EXPEDITED REQUEST DEFINITION - care or treatment where the passage of time could seriously jeopardize the life or health of the patient, seriously jeopardize the patient's ability to regain maximum function, or in the opinion of a physician with knowledge of the patient's medical condition, would subject the patient to severe pain that cannot be adequately managed without care or treatment or lack of timely treatment may result in an emergency visit or emergency admission, that is the subject of request (WAC 284-43-410).

If prior authorization is required and member has an appointment scheduled for services within 5 calendar day, mark the prior authorization with "appointment scheduled" along with date and HMSO goal is to process within 24 business hours of receipt.

Inclusion of items/services on this list DOES NOT indicate benefit coverage. Please verify benefits prior to requesting authorization.
